## How does it work?

We offer a range of house clearance services tailored to meet your specific requirements. Once we receive your enquiry, a member of our team will arrange to visit and assess your property. Alternatively, we can assess and provide a quote based on images of your property.

## Services we offer

- Packing and removal of all unwanted, saleable items from the property.
- Removal of disconnected white goods, including washing machines, fridge freezers and dishwashers.
- Clearance of all electrical goods, except ovens wired into mains.
- Clearance of lofts, garages, sheds and outbuildings, if required.
- Removal and disposal of all waste items.

## Additional Services

On request, we can also include in your quote, a price for disconnection of white goods, removal of an oven wired into the mains and/or a full professional clean, including inside windows and skirting boards post clearance.

## What we do with the items we remove

Our House Clearance Service is an affiliated company of Farleigh Hospice, a local charity that provides care and support, free of charge, to people affected by life-limiting illnesses and bereavement in mid Essex.

All unwanted, saleable items removed from your property will be sold in our retail stores, with the money raised being used to continue the work of the charity.

Unsaleable items will be recycled wherever possible. Where items cannot be sold or recycled, we hold a license to dispose of them safely.

## Guide to our Service packages

Below is a guide to the range of Service packages that we offer and what they include. Each Service can be tailored to your individual needs. We will also factor in the value of any unwanted, saleable items that form part of your house clearance when providing you with your personalised quotation.

### Platinum Service

Full house clearance, plus one outbuilding **OR** a specialist clearance of any size property.

This will include the clearance of all household items for donation, recycling or disposal. Price will include the cost of labour, transport and removal of waste.

### Gold Service

Full house clearance only.

This will include the clearance of all household items for donation, recycling or disposal. Price will include the cost of labour, transport and removal of waste.

### Silver Service

Clearance of any remaining unwanted items after a sale or bereavement. Price includes the cost of labour, transport and removal of waste.

### Bronze Service

A mini clearance of a specific area within or outside a property. This is suitable for decluttering or removing rubbish from a garage, shed or loft.

### Man with a van

Suitable for collection or delivery of large items or for a day hire. Price will include labour and transport.

### Two men with a van

Suitable for collection or delivery of large and heavy items that require additional labour, or for a day hire. Price will include labour and transport.

### Commercial and office clearance

Suitable for businesses who are moving locations and require the removal of unwanted office items/waste. Price will include labour, transport and removal of waste.

**Please note: All quotes are provided on request and all prices are exclusive of VAT.**
